

Documenting domesticity: furniture in film

The brief

Documenting domesticity: furniture in film

Create an innovative, short film interpretation of how furniture can be presented cinematically, capturing the joys and problematics of contemporary domestic environments

Think: moving image meets functional object

Please provide

- Film in .mp4 / .mov format, between 2-4 minutes

- Instagram cut, no longer than 1 minute

- Line of biography (aprox 50 words)

- Line about the project (aprox 100 words)

You will receive

- Editorial coverage on our all new 'Furniture in Film' digital hub, alongside other pioneering creatives

- Dedicated campaign on the W* social platforms (including Instagram, Facebook and Twitter)
